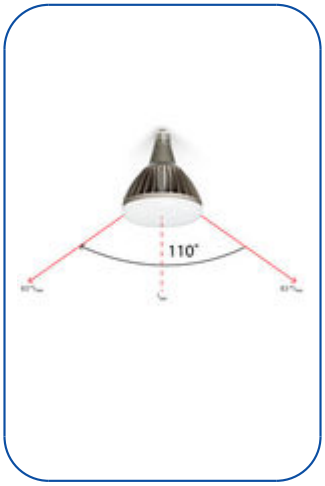
BR40 LED Lamp, 2700K. 1150 lumens, 120W Halogen Replacement. Dimmable.

Verbatim BR40 LED lamps are designed as high quality, energy efficient replacements for halogen flood lamps. The wide flood light distribution of Verbatim BR40 LED retrofit lamps are ideal for recessed-can and downlight applications in restaurants, hotels, commercial properties and residential settings. The Verbatim 2700K BR40 LED lamp emits a powerful 1150 lumens for high ceiling environments, but is fully dimmable when lower light levels are required. A shatter proof, frosted plastic cover hides the LED chips, producing soft diffused light, mimicking the look of traditional halogen wide floodlights. Verbatim BR40 LED lamps have an estimated lifetime of 40,000 hours, resulting in maintenance and replacement costs that are significantly lower than halogen lamps. The Verbatim 2700K BR40 LED lamp is backed by Verbatims' 5-year limited warranty.



Specifications

Lamp Type	BR40 2700K 1150lm
Model	B40-L1150-C27-E
Wattage	17W
Lumen Output	1150 lm
Efficacy	68 lm/W
Color Temperature	2700K
CRI	80
Beam Angle	110°
Dimmable	Yes
Voltage	120V
Operating Temperature	-20°C to 40°C
Socket	E26
Weight	15.5 oz.
Design life	40,000 Hrs.
Part Number	98180

Features & Benefits

- 120W halogen wide flood replacement
- Reduces energy costs by over 80% when compared to traditional halogen lamps
- 1150 lumen output. Bright enough for high ceilings.
- Compatible with most commercial dimmers, offering 10%-110% dimming performance.
- 3000K color temperature produces warm, glare free light, replicating the look of traditional BR downlights.
- 40,000 hour lifetime reduces maintenance costs
- Environmentally-friendly product has no mercury or other hazardous materials and is RoHS compliant.
- UL listed
- 5-year limited warranty
